

# Roger

The dog put up a remarkably good \_\_\_\_\_ with a cow  
\_\_\_\_\_. The cow was just in, or she'd been in a day or \_\_\_\_\_.  
She was a good \_\_\_\_\_ mile or more from \_\_\_\_\_, right at the  
other end of the \_\_\_\_\_.  
The calf was right down \_\_\_\_\_ the fence, in the \_\_\_\_\_, and  
the cow was standing in the \_\_\_\_\_ between me and the  
\_\_\_\_\_.

There was nothing \_\_\_\_\_ with the cow. She had too \_\_\_\_\_  
life in her, that was the trouble; she'd have a go at you!

She kept \_\_\_\_\_ back to the calf, and \_\_\_\_\_ you went  
to get the calf, she'd \_\_\_\_\_ you.
